

Your contribution goes right to work with Advocates of Hope.

- In 2007, 500+ businesspeople statewide heard our cancer awareness message at three events.
- Thousands more read about us in publications up and down the state.
- 60 percent of individuals battling cancer juggle treatment and work.
- 80 percent of employees diagnosed with cancer will return to work.
- There are 440+ resources in Delaware that can help business owners and their employees ease the cancer burden and reduce cancer risks.
