

Delaware Multicultural and Civic Organization

# STEM in Community Centers

PREVIEW

# About Us

- Delaware Multicultural and Civic Organization has been in the community for over 20 years providing academic enrichment, financial literacy and life skills training.

- All programs and events include components to address prevention. The curriculum is carefully generated by evidence based curriculum and our prevention specialist's input as it pertains to reading and substance abuse, bullying and suicide prevention.

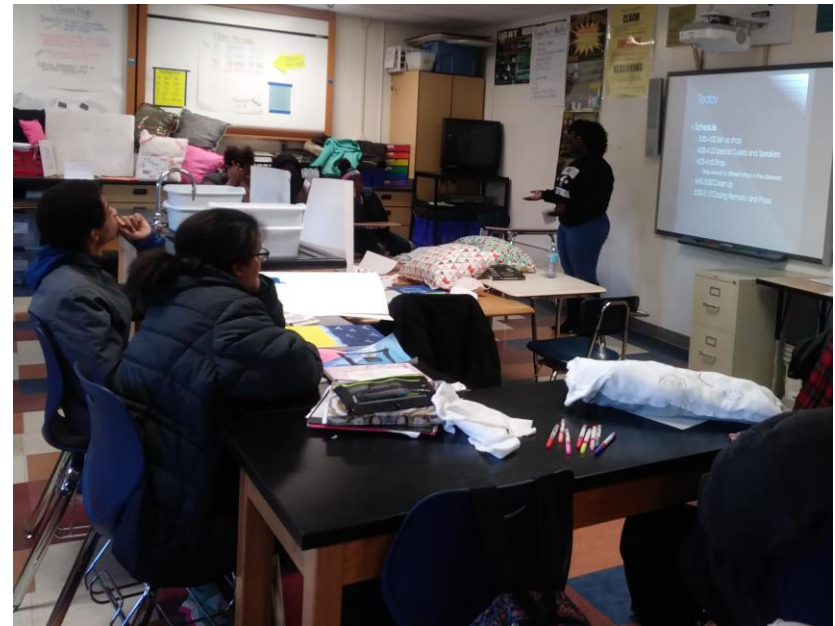

# Programs and Events

## Young Entrepreneurs at Central Middle School

DEMCO at CMS 21<sup>st</sup> Century with the Young Entrepreneurs Program. Students crafted products and held a Classroom Market Day, during which young entrepreneur, Summer of [Natural Sun Beauty](#), came to speak to the class.

# Programs and Events

## DEMCO Summer Basketball Camps

Dr. Swish came by to show students how to shoot a basketball correctly. He also spoke to the students about valuable life skills.

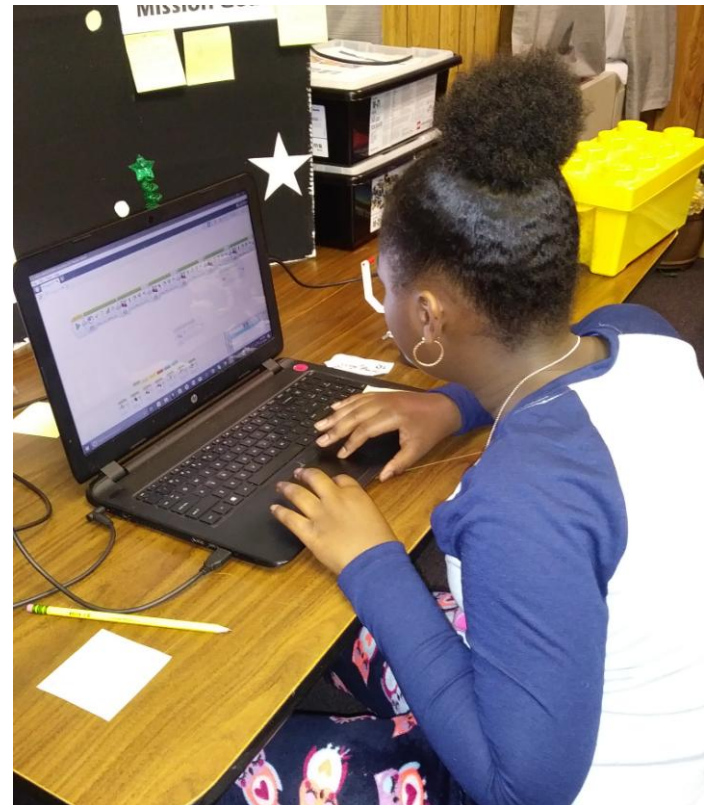

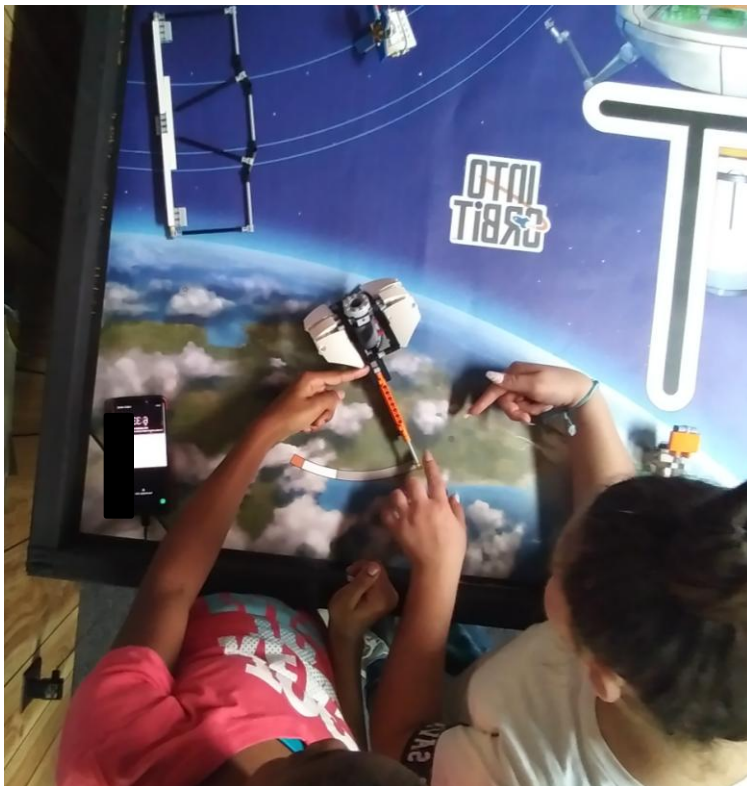

# Programs and Events

## FIRST Lego League

DEMCO's FIRST Lego League team getting ready for competitions by completing missions on the field and programming an EV3 Lego Mindstorm
